

DO YOU WANT TO ...

... MEET
PEOPLE FROM
ALL OVER
EUROPE?

... IMPLEMENT
YOUR OWN
FOREST
PROJECT?

... RAISE YOUR
VOICE AS THE
FUTURE
GENERATION?

THEN YOU SHOULD COME TO THE EUROPEAN SUMMER SCHOOL—CREATING FOREST EXPERIENCES IN GERMANY FROM THE 9TH TO 13TH JULY 2018!

WHAT'S IT ABOUT?

You, as you are users of the forests and future decision-makers
The function of forests – usage, protection and recreation
Economic, ecological and social perspectives on forests
The use of forests by conflicting target groups

WE OFFER YOU ...

- ... a five-day experience from the 9th to 13th July 2018 in a beautiful landscape
- ... the opportunity to address politicians with your demands regarding forests
- ... the opportunity to develop your own forest project which will be implemented
- ... talks with experts in topics like sustainable forestry as well as forests & recreation
- ... an exchange with other excited young people about the future of forests in Europe
- ... accommodation in an old castle in Germany – food and travel expenses free of charge

CAN YOU PARTICIPATE?

Yes, if you fulfill all of the following criteria: age between 18 and 22 years old, good English skills and residence in one of the 21 selected EU countries.

INTERESTED? APPLY NOW!
